WORK AUTHORIZATION – PERMISSION TO DO WORK

THIS DOCUMENT HEREBY AUTHORIZES WORK TO BE DONE ON MY PROPERTY.

I/We understand that all repairs and services will be billed at the current hourly rate, as well as necessary parts used to complete the job. Davidson Irrigation strives to provide its customers quality service at a fair price. Please note, however, that some damages are often not visible and variables exist. Complications can arise and do from time to time. Know that you will be billed per man hour for actual time spent repairing your system. Should a trencher be utilized, there will be a one time fee of \$157.00. Prior to commencing work, the customer MUST mark – with sticky notes or markers – ANY underground improvements to be avoided, as well as where work might be known. This includes, but it not limited to lighting and invisible dog fences. Also, all pets shall be kept securely away from the workers.

Should it be necessary , Davidson Irrigation will contact the proper authorities to mark utility lines. In the event that Davidson Irrigation is working near a property line, it is the customer’s responsibility to mark those lines. If an unmarked line of any kind is hit, the cost of repairs shall be the customer’s responsibility. Should incorrectly installed items require relocating as a result of failure to mark – work will be done at the customer’s expense. An electrician and/or plumber may need to be hired; at the customer’s expense should any additional specialty work be deemed necessary.

DEPOSITS ARE REQUIRED for commencement of work order. Balance is due and required UPON JOB COMPLETION. A partial payment does not constitute payment in full. On jobs over \$500 – (½) half is due upon start of work, and the balance is to be paid upon completion. An annual percentage rate of 18% is due upon any bills unpaid over 30 days. Also, a late fee of \$35/month will be incurred. Any costs related to collection of unpaid debts for services rendered will include, but not be limited to, a 20% restocking fee, court costs, attorney’s fees, collection fees, lost wages at \$90/hr sustained by the customer. Any discounts or waived fees will no longer be applicable and shall be required in full. Any and all offers are independent and a la carte and can not be combined in any way. The homeowner agrees to allow Davidson Irrigation to remove from their property any parts that were not paid for in full. A 4% administration fee will be applied to all credit card payments over \$500. PLEASE NOTE: Any charges made by credit card per authorization and/or by administrative error, will be refunded back to the original form of payment within 14 business days.

LITIGATION & VENUE: Should it be necessary for Davidson Irrigation to employ an attorney, collection agency or any firm or person to collect any amount due to it under an agreement, whether suit must be filed or not, Davidson Irrigation shall be entitled to recover reasonable attorney fees, and all costs for: collection, legal preparation, prosecution, defense and appeals of any action taken on behalf of Davidson Irrigation. The venue for any action at law or contest between parties will be held in the State of Florida and county where property is located and shall be governed by the laws of the state of Florida.

Receipts are sent out via e-mail (if indicated) same day or by USPS upon completion. [* are required fields]
